

Interim Request to Change Allocations forms now available

Thank you for your patience as we work to address the issues with our new Allianz Benefit Control® Annuity, Allianz 222® Annuity, and Allianz 360SM Annuity annual statements. As you may know, these first statements were printed without a reallocation form in error. We now have interim Request to Change Allocations forms available for use based on when the application was received and issued.

Contracts with 2-year and 5-year MY point-to-point allocation options (applications received and issued on or after April 26, 2022)	MY426 Request to Change Allocations form
Contracts with traditional annual and 2-year point-to-point allocation options (application-received dates prior to April 26, 2022 that were issued on or after April 26, 2022)	TRD426 Request to Change Allocations form
Contracts with anniversary dates / received and issued prior to April 26, 2022	Use the form available online from a previous annual statement. If you'd like us to email you that form, call us at 800.950.7372.

As always, contract owners can also make their allocation changes on our [website](#) or by calling 800.950.1962. Reallocating online will ensure they only choose options that

are available on their contract anniversary (i.e., 2-year and 5-year options may or may not be available for reallocation).

Again, thank you for your patience. We apologize for any inconvenience this may have caused and we stand ready to help you.
